

## **Aird & Berlis LLP**

Aird & Berlis LLP's Energy Team has and continues to work with developers of all sizes for waterpower development. Our Team is comprised of a unique group of lawyers covering all areas including corporate/commercial, regulatory, environmental, litigation, real estate, municipal and planning, corporate finance, financial services and tax groups. Our energy team works with private and public sector clients to assist with the strategic planning necessary to navigate the complex regulatory environment faced in the development of waterpower. The firm's Energy Team members are recognized as experts by the energy law community and are well-equipped to provide advice tailored to the specific needs of each client. Our success is helping build your success.
