

## Notice of Commencement under the Class EA for Waterpower Projects Allen & Struthers Waterpower Project

Xeneca Power Development Inc. is commencing an environmental evaluation and assessment for the proposed Allen & Struthers waterpower generating station located on the Wanapitei River (a tributary to the French River) on Lot 12 Con VI Allen Twp. and Lot 1 Con V Struthers Twp. in Alban Municipality. The proposed waterpower generating station will generate clean, green, renewable energy at an installed capacity of about 2.8 MW. The structure's components will include a water control structure (spillway dam) and attached powerhouse. A new road and upgrades of existing roads will be required to access the site. A transmission line connecting at Martindale TS will be installed in order to connect the station to the provincial power grid.

The project is subject to the provisions of the Ontario Waterpower Association's "Class Environmental Assessment (Class EA) for Waterpower Projects" (2008). Pursuant to the Class EA, this project is considered to be on a managed waterway. The Class EA process requires Xeneca Power Development Inc. to undertake an evaluation of the proposed waterpower project to determine its potential effects to the environment (positive and negative) during its construction and operation and prepare a detailed Environmental Report. The project may also require review and approval under the Canadian Environmental Assessment Act. Further project information can be obtained by visiting the Xeneca website at [www.xeneca.com](http://www.xeneca.com)

This notice and the public consultation process for the project under the Class EA, is intended to coordinate and meet the notification requirements relevant to the planning stage of the project under the above statutes. Notification of public meetings to be held in regard to the project will be posted within the next 6-8 months. Public consultation will be an integral component of this process. You are invited to provide comments on the issues to be addressed, and/or to ask to be placed on the project's mailing list.
