POWER OF WATER CANADA TECHNICAL CONFERENCE

May 8-10, 2024 | Niagara, Ontario

**It is our pleasure to invite you to sponsor the
2024 Power of Water Canada Technical Conference
and Trade Show**

The Power of Water Canada Conference is the premier event and gathering of the hydroelectric sector in Canada. 24% of our attendees are hydroelectric owners and operators including both operations staff as well as the decision makers. Sponsorship of this event demonstrates your leadership and support of the waterpower industry and provides tremendous brand recognition for your organization.

The Power of Water Canada Conference is hosted by the Ontario Waterpower Association, a not-for-profit organization representing the interests of the waterpower sector. All proceeds from this event are reinvested back into the Association to support various initiatives.

We hope we can count on your support of this event.
