

Call for Abstracts - Power of Water Canada Conference 2025

The Ontario Waterpower Association is issuing a Call for Technical Abstracts for the 25th anniversary of the Power of Water Canada Technical Conference & Trade Show Being held May 7-9, 2025 at the White Oaks Conference Resort in Niagara-on-the-Lake, ON.

Fill out the form below and email it to Jessica Worosz, Events Manager, jworosz@owa.ca

TIMELINE

Abstract submission deadline: **Thursday, October 31, 2024**

Notification to submitters: Successful individuals will be notified in December 2024, via email

PRESENTATION FORMAT

Abstract sessions will be approximately 60 minutes in length. Presenters should allow for a ten-minute question and answer period at the end of their session.

ABSTRACT CATEGORIES

Abstracts will be accepted in two main categories: Operations & Maintenance Case Study AND Case Study/Lessons Learned topics (Operational and Environmental Topics)

These categories are intentionally broad to encourage submissions from all sectors of the waterpower industry!

SPEAKER INFORMATION

All accepted abstract presenters will be required to complete and return the speaker agreement form to confirm their participation as a session speaker. Conference speakers will be provided with complimentary registration for the day they are presenting. Should they wish to stay for the duration of the event a discounted full conference pass must be purchased.

ADDITIONAL INFORMATION

Speakers are responsible for their own travel and/or accommodations and will not be reimbursed by the OWA
